

## Declaration of Conformity – REACH

GTG Gummitechnik Wolfgang Bartelt GmbH & Co. KG as a manufacturer of elastomeric and thermoplastic profiles and injection moulded parts is a "downstream user" in the sense of the REACH Regulation 1907/2006. Obligations due to the production and placing on the market of substances / chemicals for pre-registration and registration (ECHA) do not apply to us. Our products are articles and therefore cannot be defined as substances or preparations.

Furthermore, no substance is released from our products under normal and foreseeable conditions of use. GTG Gummitechnik Wolfgang Bartelt GmbH & Co. KG is neither subject to the obligation to register nor to the obligation to prepare safety data sheets.

In order to provide our customers with reliable and safe products, our suppliers must meet all requirements regarding chemical substances and materials. In doing so, we ensure that no substances from the Candidate List of Substances of Very High Concern (SVHC) are used in the manufacture of our products. In doing so, we adhere to the obligation of the ECHA guidelines for "downstream users".

The current list of substances of very high concern for authorisation can be found at the following link:

<https://echa.europa.eu/candidate-list-table>

Please understand that we will provide you with corresponding offers for research and answering your enquiries for individual substances of very high concern (SVHC). Please ask your sales partner about this.
